

International Conference
On
“Management, Engineering, Sciences
and Humanities”
(MESH - 2026)

Organised by

“Laescuela Education”

On

23 – 28 February 2026

Venue:

Hanoi, Vietnam

The Organiser cordially invites abstracts and full-length research/review papers from all over the world to participate in the **International Conference on “Management, Engineering, Sciences and Humanities” 2026 (MESH - 2026)**. Topics of interest for submission include various subtheme, but are not limited to the conference aims. The aim of the MESH-2026 conference is to provide a forum for laying the foundations of a new principled approach to the advanced research in Management, Engineering, Sciences and Humanities subject areas. To this end, the meeting aims to attract participants with different conference theme backgrounds, to foster cross-pollination between different

research fields, and to expose and discuss innovative theory, frameworks, methodologies, tools, and applications for sustainable development. All contribution should be of high quality, original and not published elsewhere or submitted for publication. During the review period, papers will be reviewed by eminent scholars in the respective areas. All submitted papers will be published in Special Issue of journal **IJSRED (International Journal of Scientific Research and Engineering Development)**.
